PROJECTS

Open-To-Intern — June-2023
https://github.com/Sanket-Munishwar/Oper-to-Intern.
Created a website backend to manage the applications of students . It will help the colleges to know how   many students have applied for internships.

Blogging website and URL- Shortener —
June-2023 *https://github.com/Sanket-Munishwar/Blogging.*
Created   a blogging website's backend with multiple APIs for user registration login and CRUD operations on a blog resource. Created a url shortening service like Bitly for easy sharing of long urls. Also implemented a caching solution for quick response time.
